

BEAVER DAM ROTARY CLUB #2677 DISTRICT #6250
 PO Box 482, Beaver Dam, WI 53916

Rotary meeting June 1st, 2009

Announcements: When Gary Cox was at district assembly they had to come up with an “elevator speech” explaining Rotary. Essentially if someone asked you what Rotary was how you would explain it in the time it took on the elevator? Their explanation was; Rotary is dedicated to improving people’s live locally and around the world, while having fun and building great relationships.

Program: Jane Goetz who is a member of the Ottawa IL, Rotary club came to talk about their project where they provide financial assistance to the Desert Rose Shelter for Girls in Mongolia. Jane sometimes comes to our meetings when she is in this area. In the area where the shelter is, summers are very hot and the winters are extremely cold. There are many children living on the street. They live down in man-holes because that way in the winter they are closer to the hot water pipes. 22% of the population lives below the poverty line and 60% of the males are alcoholics. There are very inadequate health services there. The Ottawa club has given money towards the purchase of bunk beds and bedding and this year they are trying to get a grant so the shelter can purchase a van. They would like our club to consider going along with them on this project.
